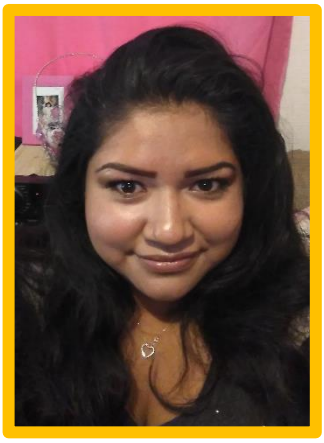
Central Kids

Meet Ms. Elia

Ms. Elia Vasquez



Hello!! My name is Elia, Ms. Elia. I love being part of the Weekday Children's Ministry team. I have been in childcare just over 5 years and love working with kids.

While my primary job here at Weekday is Translator, I also help Maria in the kitchen, help give teachers much deserved breaks, and do pretty much whatever is needed.

I was born in Los Angeles, California, was raised in Atlanta, Georgia, graduated High School in Buffalo, New York, but have been living in Monroe for the last four years.

I have two beautiful daughters ages 9 and 11. I enjoy gardening, going to car shows, searching for new and classic cars, laying in the sun on my hammock, and going to the beach with my girls. I love to travel and have been all over the US and Mexico.
