Notes from Ms. Erica

We have made many changes to the way school looks for this school year in order to keep our children safe. We need every parent to help us in this endeavor. If anyone in your household has any of the COVID symptoms or gets tested for COVID your child should not attend school. The only way to control the virus is if stay home when we are sick. If you have questions about if or how long to quarantine please call the office 704-289-5244.

Remote Learning Packets

We sent home backpacks at the end of last year and a work packet last week. These materials are for remote learning days. Please do not allow your child to play with these. In the event of inclement weather or any emergency school closings our teachers will send information for remote learning. Feel free to reach out to your child's teacher if you have any questions.

Important Dates

February 2-15 Parent/Teacher Conferences
February 9th- Laxer, Long, and Savage Visit
February 12th - Valentine's Party

For Valentine's Day we would like to show our love and appreciation to our staff. If you would like to sign up to bring in something for a potluck on February 12th please check your email or call Ms. Erica.

Kindergarten REGISTRATION

Kindergarten registration starts February 1st. This year the process is online. You will need the following information to register your student for kindergarten:

- Birth certificate
- Immunization record that includes a doctor's signature or a clinic's stamp as proof the vaccines were given.
- Proof of residence.
- Before the first day of school, you will also need to provide your school with a completed Kindergarten Health Assessment Report. The form must be signed by a doctor and include all of the information requested on the form.

If you need help with any of these documents or need to know what school your child will attend please reach out to Ms. Erica.
