March Birthdays

Thank you from Ms. Erica

I want to thank everyone who helped make our Valentine's Day so special. The children enjoyed sharing Valentine Cards and having a party. The staff and I are especially appreciative for all the parents who brought in gifts and food for our potluck. The food was amazing!

March Madness for Reading

This month we will be hosting a reading challenge. I am sending home a reading log and you will document any books read at home. The children who reads the most books will win a prize. This includes books read by parents, siblings, themselves, other friends or family members. Every book counts so write it down. There is also a competition among the classrooms. Reading logs will go home March 1st. If you have any questions, feel free to reach to the teacher or Ms. Erica. Most importantly please enjoy this bonding time with your child.
